Clarifying Question RFP 2017

The **Tab 8 Performance Measures blank template** (5th row down, Student Academic Proficiency: School Selected Assessments) does not have a measure associated with it. I believe it should be "measure 3". Can you elaborate?

Answer:

Indicator A is Academic Proficiency on State Assessments. It has two measures, one in reading and one in math.
Indicator B. Academic Proficiency: School Selected Assessments. Measure 1 is reading and measure two is math.
